AN ORGANISED MEETING BETWEEN REVDS. P.S MAFORIKAN AND S.E OROVBONI BY CCC UNIFICATION/RECONCILIATION GROUP; A PRELUDE TO THE INCEPTION OF CCC NIGERIAN DIOCESE COUNCIL OF ELDERS AT CCC IKORODU ROAD, FADEYI 10TH MARCH 2011.

Our fathers in Christ, you are welcome to this meeting in the name of Jesus Christ.

Today's assemblage of Elders is complementing the initial body consisting of 7 Reverends (fathers in Christ) which we initiated in June 2010 at CCC Ikorodu Road, Fadeyi here.

We of the Unification/Reconciliation Group that brought the 7 Elders together actually set out to unify all the estranged house-hold, i.e the various Factions under the Reverends: E.F Oshofa, P.S Maforikan, S.E Orovboni, J.K Owodunni, G.B. Shonekan, E.O Oladokun, D.B Agbaosi's Ajashe Shepherds in Nigeria etc.

Which put together is **The Nigerian Diocese within and outside Nigeria and in the Diaspora as represented by the then 4 Most Senior Evangelists after the demise of Reverend P.H Ajose – i.e (1) Late G.O Jesse, (2) M.A Are, (3) T.E Oshin and (4) S.E Orovboni.**

It was for mere expediency that we used 3 of the many disenfranchised households in setting up the Bible Lesson/Gospel Diary and the 33 members Modalities Committees.

In order to bring all the other units together, we have to invite them under the auspices of the 2 Revds that represent their parent bodies – The Jesse Stool presently occupied by Revd P.S Maforikan and that of Revd. S.E Orovboni.

We however should note that Revds M.A. Are and T.E Oshin are already together in Ketu.

Within the context of this 4 Households are living Elderly Contemporaries of the then 4 foremost Most Senior Evangelists, who together with other versatile and respectable Senior Shepherds will be integrated to now assume the role of a **Supervisory Council of Elders for The Nigerian Diocese.**

As soon as we are able to fully synchronize all these bodies together, the way for the total unification of CCC Nigeria Diocese would have been paved.
