Head Of American Diocese -HOD
C/o ASE Adekolajo Aladeseyi -Diocesan Secretary

Calvary greetings to you in the name of our Lord Jesus Christ who had called us as a Shepherd in His vineyard. May His Light and Glory direct our path in Jesus name.

This letter is in response to the letters sent through the email on April 8, 2007 by the Diocesan Secretary, ASE Adekolajo Aladeseyi.

Based on the attached letter I will say it again as I said at the last meeting that I am disappointed and 'am going to categorizer this letter as a distorted letter', why did I say that? At the Diocesan Meeting held at Luli Parish in March 10, 2007. It was NOT unanimously agreed I quote from the attached letter "that all the problem of Division in the Church could be resolved, because it all revolve around money; given all Pastors ultimatum to **come together for the unity of His Church on or before the Sunday 28th October 2007** and If it becomes impossible for the Pastors to unite and produce a leader for the Church, then the people of this Diocese will make a decision"

The adage says when you point one finger to somebody the rest is on you. Now: Let I just paraphrase some few things before my conclusion:

- 1) At the Diocesan meeting held at CCC Luli Parish in October 14, 2006, we made a decision to send Sup. Evang Agbaza -HOD and ASP Aladeseyi Diocesan Secretary to Nigeria on fact finding concerning the disagreement between Pastor Maforikan and Sup.Evang Lagun Adesanya.

"Come to me, all who labor and are heaven laden and I will give you rest..." Matthew 11:28

- 2) On coming back from the Nigerian trip before the last Diocesan meeting held at CCC Luli Parish in March 10, 2007, Sup Evang Agbaza called several people that He was given a spiritual message of unity to all the Pastors. We do not disagree with that but that is not the mandate or communiqué of the Diocese decision for the Nigerian trip.
- 3) At the Diocesan meeting held at Luli Parish when you verbally gave us your opinion on the fact-findings report trip to Nigeria, infact there was no single report, letter/s or documents given to back your report. I believe in any Society, Organization, or Corporate etc if there is a project given to individual or committee. On reporting back there should be a documented written report backed by evidences. In this case nothing like that. Instead you and Diocesan Secretary just verbally gave us your opinion. I am disappointed.
- 4) Let us remind ourselves that AMERICAN DIOCESE was formed by Pastor Jesse of blessed memory and His predecessor Pastor Moforikan is still alive in which you have the audacity to give all PASTORS an ultimatum that **“We asked that the Pastors come together for the unity of this church on or before the Sunday 28th October 2007”** and If it becomes impossible for the Pastors to unite and produce a leader for the church, then the people of this Diocese will make a decision”.
- 5) The decision at the meeting was to write a dissatisfactory letter complaining on how thing are going not otherwise.
- 6) If you fill strongly on #4 statements above you can form another Diocese.
- 7) Similar decision was made at the Re-treat held at CCC Ibukun Oluwa Parish in Tampa on December 2, 2006, by single handedly removed Deputy Head of Diocese despite others are doing worse. For the record sake and per the Constitution, only the Pastor can remove the Head of Diocese and His Deputy or voluntarily resign on there own, but as a Diocese we can vote, make a decision and send our written concern to Pastor Maforikan to finalize or make a different decision.

In conclusion the decision was not unanimous and please makes sure we know as a body those who agreed and disagreed with the attached letter before sending it out. The written email letters is also attached.

Yours in Christ;

T - Shomide
