I once again welcome you all to today's glorious service, and I pray that may God accept all our prayers, may he grant us according to our petitions in Jesus name. Amen

I want to discuss an important issue with you and I will be happy if you carefully read this read this bulletin.

1. What is power?
2. Where is the power?
3. Do I have this power?
4. How can I get this power?
5. How long will this power last with me?

According to the dictionary, power is the ability to achieve something or make things happen. Power is a natural and unusual ability for doing something.

According to the biblical scripture, the bible makes us to understand that there are two types of power. The power of darkness and the power of light. The book of Ephesians 6vs 10 – 18, if you continue reading, the bible urge us to put on the amour of God, so that you can stand against the devil's scheme, for our struggle is not of flesh and blood, but against the ruler, against the authorities, against the power of the dark world and against the spiritual force of evil in the heavenly realm.

A lot of people cannot distinguish between the power of light and power of dark world so the run around seeking for power.

Where is the power? I said earlier that a lot of people are running around seeking for power when they have that power right with them. When some people encounter a little challenges the run around for power to solve that challenges. The process of seeking for power they get powers this powers is not power of light, but power of darkness. The power you are seeking for is with you, but you have not activated that power. The power live with you, dine with you, sleep with you, walk with you, but you don't know the power. You don't really understand the function of the power you have, you don't know how the relevant it is in your life.

This power is easy to get and activated, why wasting your time and energy, seeking for power when you have it with you.

Do you have the power? Check your self very well, ask your self do I have this power with me? **Yes!** You have the power. Do you know that your body is a member of Jesus Christ, but he who unites his body with him in spirit? 1corinth6vs19. do you know that your body is a temple of Holy Spirit, who is in you, whom, you have received from God? You are not your own, therefore no weapon fashion against you shall prosper. Amen

How can I get this power? The power we are discussing rest in the blood of Jesus Christ. For Jesus Christ himself live with us, walk with us, sleep with us .Ephesians 2vs4-5, but because of his great love for us, God who is rich in mercy made us alive with Christ even when we are dead in transgressions, it is by grace we have been saved. Ephesians 6vs17. The bible urges us to take the helmet of salvation, the sword and the spirit, which is the word of God. The vs. 18, says and pray in the spirit on all occasion with all kinds of prayers and requests. With this in minds be alert and always keep on praying for all the saints.

If you do this in faith, you will get the power of God. The bible said that there is no agreement between the temple of God and idol. For we are the temple of the living God. As God said I will live with them and walk among them and I will be their God, and they will be my people. 2corinth 6vs16.

How long will this power last? You may be wondering that this power I am talking about, how long it will last. But I **tell** you that as long as the lord exists and he is still on his throne, your power is everlasting. Amen
