Donations For The Fellowship

Dear Brethren In Christ,

We members of Celestial Church of Christ-Women Fellowship greet you in the name of our Lord Jesus Christ. It is greatly pressing and necessary for this Fellowship to raise fund for its numerous projects in the body of Christ, which will intensify and enhance the effect of evangelism in this society.

'Focus on the Family' With this assertion in the Fellowship' minds, they are obligated more than an impulsive will to engage in philanthropic duties just like King Solomon did and was blessed thereafter.

Now, Women Fellowship is blowing a trumpet to you fellow Christians to be participants in the divine call by generously contributing to our course materially, financially and spiritually.

Although we have strife to get some books for our children to assemble a library in individual parishes and churches in order to encourage the children in their educational background and so many other things we had intentions to do for the growth of the body of Christ.

Therefore, we cannot do all these work without your enormous financial and material donations to enable us fulfill our ever increasing work load for the success and upliftment of the Fellowship.

All donations, gifts or helps will be appreciated and acknowledged regardless of the size of the material or the amount of the money contributed. We believe that in doing this we are investing in the kingdom of God and for the salvation of our soul.

"Come to me, all who labor and are heavy laden and I will give you rest...." Matthew 11:28

May the good Lord bless you immensely as you contribute toward the success of the Fellowship

Thanking you in advance for your generous donations. We will never stop praying for the progress of your family, church and your entire endeavor.

*Yours-in-Christ,
Bukky Shomide
